

## OTHER EXCITING NEWS

*I was so excited to share the news of the John Deere Gator with Herm Scholten, one of our board members in Michigan, then he informed me, he had \$2,500 seed money to get us a **truck**. He is putting the word out to His friends and to all who helped build our house.*

*He knows how bad the truck is, but had no idea our other vehicle that carries Eric's motorized chair had stoped working.*

*Isn't God good???*

*He can do anything, and it is so special when he uses the hearts and hands of His people to do it!!!*

### **Sponsor a child!! \$50**

Now is the time to send \$ to help our kids come to camp.

\$50 goes a long way and can cover two or more kids. We would love to do more with them when they are here, but it depends how much we raise for them and having it early enough to plan.
