April 2009

*Great is our Lord  
and worthy to be Praised!!*

*The Lord has sent more people here for a season. The four staying here has turned to **seven**. Some need temporary shelter until a home can be attained. Two young men, who were campers are with us on a permanent basis as they will help with camp also.*

*Most of them have been a great help here as Eric is unable to do much physical labor.*

*Needless to say our bills have been much higher. We have been stretched tight this winter with our finances. Thankfully our Provider encourages His people to give. All the bills have been paid so far.*

*His provision comes in ways we never expect. In December I was overwhelmed with the bills when a check came in for **\$3000**. We were awed and so thankful to this person for listening to God's call!!*

*Then recently another Godly man brought **meat for the freezer**, all different kinds (even steaks)!*

*Another gave us four **turkeys**. (Guess what we had for Easter.) The pantry stays sufficient for our meals. (The couple staying are able to fend for themselves for mealtimes.)*

*Others have given sacrificially. From eggs, milk and other things*

*We are trusting God now to send what we need for this month as I open each bill.*

*We love you!  
Faith and Eric*

**News about Eric**

**Good News**

Eric is doing much better, he is still not able to work like he used to. Thankfully God has supplied Young men to fill the gap.

**Bad news.**

He will soon be scheduled to have hernia operation. So once again he will be down for awhile. **Please continue to pray for him!**
