January 2010

There is great excitement going around here!!

Go Tell it on the Mountain!!

A House for Us

Go tell it on the mountain!!

That is the call we responded to eleven years ago, never realizing what that call really meant! (Sometimes I still don't.)

Boy I don't know where to begin!!!

God has been so wonderful giving us blessing after blessing!!.

Most of you don't know that the house we live in was built as a temporary place, until God provided something bigger

If you read our last newsletter you will know that Cottonwood CRC and Pine Grove churches in Michigan are going to **build us a house.**

Emails received 12-31

Cottonwood CRC collected nearly 16,000.00 dollars on Christmas for your home. With Pine Grove's collections to date we are almost at **21,000.00**. We are currently putting work crews

together with volunteers and will be looking forward to starting in the Spring. God is so good !!!
Bob, Cottonwood Church

1-13-2010 I am wondering if you can compile a list of other pro-

jects you need done around the camp. We have had such a wonderful response to your project. I am afraid I will not be able to keep everyone busy just on the house project. Email a complete wish list, small to large, so I will have something to work with. I do not need it right now, but in the next few weeks it would be great. We can always add or subtract as time moves along. . Thanks for what you do for the kids in your area.
Bob, Cottonwood Church.

They also have some materials donated.

Come join in where God is at work. If you would like to help in any way. Call us 606-545-9911 or Don in Michigan 616-608-3513

**We are so excited
and Thankful!!**

**Ain't God Good?
All the time!
Ain't God good!**

He's got the Mountain in His hand

Salvation on the Mountain!

Mark Estridge, Eric's nephew, came from Alaska in November to stay. Like so many these days, he was out of a job and needed a place to stay.

Thanks to the prayers from our prayer warriors and a man following God's urgings to talk with him, Mark accepted Jesus as

his Savoir last week! Jude our grandson, made that decision a couple of years ago, and was baptized in November.

It is so great to see people open their hearts to Jesus, but it is so much greater to see a family member come to Him.

Jim Broughton, a friend, has been on

our prayer list for 10 years, he is from one of our camp families. He felt God's calling and gave his life to Him. There were many tears and shouts when this day came!

That is what it's all about!!!

Thank you for continual prayers!

Camp Christmas Party on the Mountain

The kids were able to hear the Christmas Story and really had a good time.

Thanks to all who helped with food and gifts!!

Snow and Cold on the Mountain

I know the cold spell hit most of you who are reading this, and many had it much worse than we did!

We were without electric here for 48 hours. The only heat was in our place.

You should have seen all of us trying to sleep here. Thankfully two of the guys were in town

the first night. Then they all decided to brave it out in the cabins. (We now have six others living here.)

Then our hot water froze here at the house so we had to heat water (again to wash dishes) Thankfully we could bathe at the cabin.

It snowed here for a week,

lightly on most days, but it was beautiful, usually it snows for a couple of days and then it turns to mush. But this time it stayed white.

What a site, especially for this girl from Florida. I didn't get out.

It was nice for some of my family to see it while thy were here!

Prayer for the Mountain

Please pray for:

* **The Smith family.** This is the family who had 30 family members saved in our first couple of years. There is much stress going on right now. Most of them are so faithful in their walk with God

* Roger the father died just over a year ago, still adjustments there.

* Janice Smith, just lost twins during pregnancy.

* Rhonda Broughton has been sick for awhile and in bed since November. (Her husband, Tim, the one recently saved.)

* Scott & Tammy Smith dealing with court cases and Scott on house arrest.

* Scott's boys to love him unconditionally

* Another member who is fighting a relationship with God and making others around miserable.

Other requests:

* Mark growth and for us to be good role models

* Ernie Evans, living here, as he is going to college and trying to find what

God has for him.

* Scott Middleton, as he moves on to truly find a personal relationship with God

* Shea Harris to find a 3 bedroom place to move to.

* House building and us moving to go smoothly.

* All who come to camp or to help will feel the love Of God and want a closer relationship with Him

* My back to continue to do better and I can get more active and eat healthier

* Eric's pains and mobility

* Grants if they will glorify God and wisdom in wording and choices

* Camps, preparation, & scholarships

* Daily provision

* Packing and storing things up

* Sandra Nickel, our pastor's wife, she has been in and out of the hospital for many months, pray for complete recovery

*

Thank you for your prayer from all over the US!

Please, Please Vote on a Grant for Camp from Pepsi

We might get a **\$50,000 grant** to use for camp this summer if we get enough votes. Starting **Feb 1**, you can vote everyday. Please pass this on to all your email and face book friends and everyone you know. It only takes a minute of your time.

It would make such a difference to the kids. They would be able to do things they never get to do. Such as going to a restaurant, seeing a live play, (The Miracle in Gatlinburg), getting some new clothing, etc

We would also be able to pay counselors and have more help and supervision.

Please send me a email at: momentmaster@yahoo.com, so I can email you and remind you. Thank you!!!!
