

Moments

December 2011

Have a great season celebrating Christ's birth

God has blessed us and the ministry so abundantly this year. The best being that we saw 11 kids come to know Jesus. Nothing beats seeing a child's eyes open to Jesus' love!

To truly celebrate Christmas we must know Jesus as our Savior.

Party for the Kids

Camp Christmas Party

Celebrating Christ's birth

Saturday Night,

December 17, 2011

6:00-9:00

545-9911

At Moments with the Master
Lodge

Food, Fun, Games

We need snacks and gifts for the kids. If you could help they would be so grateful!

*May God bless each of you
with His tender love
and open the eyes
of your loved ones to His love
during the Christmas season.*

Please be in Prayer

Please pray for the ministry in the new year. Finances are getting tight all over, and we have felt the it too as some very faithful partners have had to stop their support.

God has always provided for the needs here through His people.

Is He asking you to join in where He is at work here on the mountain? Please answer that call!

Please pray for the camp kids as they struggle with being a Christian with no help at home.

The families we minister to throughout the year.

Praise—Mark Estridge is working as a cook at Union college. Again let me say he has been one of God's blessings to us with the Physical work around here.

Eric is still waiting for surgery to remove his gall bladder.

Faith is much better but still has back pain. Therefore slow to get things done.

Unspoken

Praise My sister went into remission after just 5 weeks of natural treatment for cancer!

Thank you!
