## MOMENTS

June 2012

### Kid, Kids everywhere, they make you crazy, they make you care!

For those of you who do not know, Faith broke her ankle several weeks ago and had to keep it elevated. So we prayed for extra help with the kids. Like all things God orders, He provides for. We had several young people here to help for camp.

There were **33 kids** here for teen week. Thirteen were new.

19 stayed over, others were part time.

**Allen Nye** the magic guy was here doing magic gospel presentations, and had his giant screen for movies at night. The kids were fascinated as he presented the magic and showed the m how to do tricks. He also decided to brave it out in the boys cabin at night!

This is his 9<sup>th</sup> years coming to share in our camps.

**Steve and Lydia Smith** came and did a gospel horse presentation.

Linda Warren and Kathy Broyles brought bird houses for the kids to put together.

It was a great week for drawing closer to Jesus and having fun.

### When the Holy Spirit moves, People get Saved!

**25** kids the second week with younger kids, 18 staying over at night. Eight of these were new kids. On Wed the Holy Spirit moved in a mighty way! We had 10 kids accept Christ! We do not do altar calls, just talking with the kids individually as they made it known they wanted Christ as their Savoir! There were so many tears! Two were sobbing so hard I thought were not going to get them to stop!

Then another girl prayed for salvation on Thursday. **11 Salvations**

Peggy Kirsic, a Bible college teacher came from Tampa, FI to help Eric teach the kids.

Wayne Arndt from MI came to stay with the boys, he fell in love with the kids.
