**What camp means a lot to me. When I got saved. It was here at camp last year. And this camp's name is Moments With The Master and they are the best people I have ever spoke to. I learned about the people of the 12 disciples and I learned a lot about Jesus. He means so much to me. The counselor's are the best. The best counselor is Eric J. I have a lot of friends up here at the camp. I am 9 years old.**  
**Thank You, Taylor Jones 9**

# What the Kids Say!

Breanna White age 11

This week at camp Faith and Eric helped me learn 15 memory verses because I want to remember God's Holy word. Also, this week I meet a lot of new friends. They also helped me learn

about God who sent Jesus to this earth and He was crucified on the cross and rose again.

This week the girls got a counselor named Danielle she's fun to hang out with and is funny. Lil Eric is very, very,

very funny & silly, Ernie he likes to play the guitar. He also is silly and funny. Now Big Eric is funny and fun to play carpet ball with. Faith really likes it when kids at the camp ask Jesus Christ to be their savior.

Lily King age 12

Well 2 years ago when I was 10, I got saved here and well my life has changed in so many ways. Like my mom got saved and my big sis started going to church and my little sis got saved and now my

little sis pass it on to my nephew Dalton and he is now saved.

Well Danielle was there when I had to pray and she is my cabin counselor.

Well Lil Eric is the bomb. He is so hilarious. If you are sad he will

make you glad.

Well Ernie is a rule follower and so is everyone else, but Ernie is okay.

So come to camp.

It will change your life.

Danielle Swafford age 14

I didn't get saved at this camp, but they have influenced me to stay on the right track. I'll admit when I first came here the beginning of this week I was not doing the right thing. Actually, I

was doing the exact opposite. But just listening to some people's testimonies has helped me tremendously. Now I believe I can go home wanting to do the right thing. And there is some really great people here.

*I am amazed that even with all the things that go wrong and even with our sour attitudes,*

*God still works in spite of us. Mark Evans, Counselor*

I always say, if God can use a donkey (from Balaam and Balak's story) then he can use me or anyone.

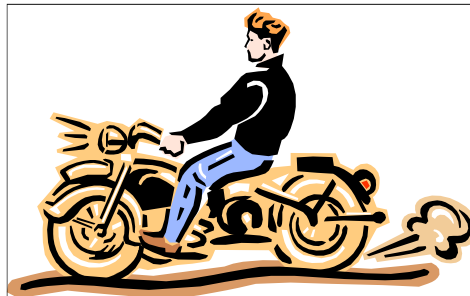

And He has proved it! Faith

## Progress on Eric

Eric is doing much better, he even got on a horse last week for our camp rodeo. Please pray that he will stay healthy and will avoid accidents.

Your prayers have been wonderful!

Jude Harris age 6  
Saying verses is one thing I think has helped me.

Things are never slow around here!

*Madison Hatfield age 11*

*Moments with the Master Dude Ranch Camp is an exciting experience. It brings everybody closer to God. Being closer to God is very important. When you get close enough to God you'll want to be saved. I myself have been saved at this camp and I felt pure and clean when I was.*

*Also, the counselors are awesome! Especially this year. The main counselors names are Lil Eric, Ernie and Danielle. Eric is fun and crazy too. He's funny when he plays characters. Danielle is fun when she's*

*not tired. When she is tired she's like a drill sergeant.*

*The owners, Faith and Eric are really fun. There's two Erics. Big Eric (the owner) and little Eric (the counselor). Big Eric is a kidder and Faith is lovable and spiritual.*

*Anyway come to Moments With The Master it's really fun. We do a lot of activities and ride horses. Come to camp you won't regret it.*

*Lora Taylor age 12*

*This camp means a lot to the kids at it. We learned a lot about God's Holy Word.*

*Jordon White age 10*

*I learned more about Jesus. It is a fun camp. You get to ride horses.*

**AUSTIN WHITE**

**AGE 13**

**WHAT I LIKE THE MOST ABOUT CAMP IS RIDING HORSES. THE STAFF IS NICE TO US KIDS. I LIKE TO HELP OUT. WE GET TO PLAY IN THE LODGE.**

*At camp I did not know Romans 12:2 Faith, Ernie and Eric helped me learn it and after I learned that one I learned John 2:15 o Haley King 9*

*Brooklin White age 10*

*Camp was fun. I played with Lily, my best friend. I got to talk about God + Jesus.*

*Marissa Bullis Age 11*

*This week at camp I learned a lot about Jesus. He is the only reason I came, but they are two people that love me and wanted me to come. Every day we learn verses and we have to tell them to Faith and Eric for points for me and my team. Faith and big Eric has been the best to me and all of the other kids. Danielle is an amazing counselor. Lil' Eric is goofy. He likes to joke around with us kids. Ernie last but not the least-he is awesome to play games with. Faith is pretty funny and grouchy. Eric is Faith's husband and they both think the world of us and aren't mean.*

*Chris Jones age 9*

*It's fun. We ride horses. We stay all night. We learn about God and the Bible.*
