Needs:

Lots of pray for us and the kids.

For a lady staying here, getting her life settled.

Meals for Sat nights/Sun when we have teens out to encourage them in their walk and so they will be in a church service on Sunday Morning.

Donations for curriculum for the kids we have at Master's Academy. (We have 2 girls staying here 4 nights a week so they can be schooled here.)

Angel tree. We have a Christmas party for the kids every year. We would like to give each child something nice. (in the past we had small items)

Support- monthly or one time gifts are needed to keep the ministry going.
