# Moments

**"And the place was Shaken...."**

**Words cannot describe our summer!** God absolutely poured out His blessings! Starting with me breaking my ankle in April, I prayed, "Lord, you will have to send the help we need for camp."

**Wow! "Ask and you shall receive!"**

**The Holy Spirit was here and moving among us all!**

To sum it up, we had **23 kids and 1 adult** come to know Jesus! Rededications, I stopped counting after **22**, these were all of us adults working and some just visiting, then at least **21 kids!**

Thank all of you for your prayers, support, love and labor. God's work could not have been completed with out you!
