God is so Good!

This has been a wonderful time of celebrating the birth of Jesus!

We had a beautiful white Christmas in a wonderful new house! With a wonderful family!
We had to delay the party for the kids because the roads were bad, but will do that as soon as weather permits

Cabin Bathrooms Revamped

A group of men from Faith CRC in Michigan (Not our house builders) came to revamp our cabins. Some came with a work group last summer and decided some work needed to be done.

They gutted the showers and replaced them with tiled units. Added a counter top and new sinks.

A room was added to the back for the hot water heaters and washer and dryer.

Then they painted the cement floor in the entire cabin which will be so much easier to clean!!! (The walls in both

side were painted earlier in the summer)

This group is coming back in Jan to finish up and do some more.

They are hoping to get central heat and air in there!!

Be praying for that!

God is so wonderful with the blessings he sends through His people!

Let the kids and their lives tell the story!

Travis Lowe 14—“He has saved me at this camp and my life has been changed since then and I have been a better person and all that good, and I talk to people about Him all the time.”

Travis got hit by a truck the week before camp, he knows God allowed him to live so he could be saved at camp. He wants to help at camp when he gets older.

Jacob Hatfield 13

“The lord has done a lot for me, like when I got the Lord in my heart and I feel good”

Jude Harris 8

“Me and God so close could not explain it.”

Lily 13 *“I know God and yes I am saved, I got saved here 4 years ago. Then this week me and my best friend finally got to see each other again and I also seen my sister get saved and also had fun and talked to someone about God.”*

Halie 12 *“He brought me to this camp and me and this girl went outside and prayed and I had Jesus to come into my heart.”*

These sister have come to camp for 4 years. Their mom was in a home for drugs the week they were here. This was a court order to be able to get her girls back. Their aunt called during camp to tell us to keep a watch on them as the mom had left the home.

Since the girls were staying at the aunts house, she sent her son too. Tyler 13 *“My touch of God was at camp and then I got saved I and I got closer to God.”*

Desiray Brown 11 *“My bond with God has become really close. I repented today.”*

Mollie White *“My relationship with God is he is my best friend in the world. And he showed me not to be mean. I love God more than anyone he told me not to lie.”*

Please pray for these kids!

You are what keep this ministry going!

Dear Partners,

Our deepest appreciation to you for the contribution you made to this ministry during the past year. Our Lord has tremendously blessed us, the ministry and the kids through you and we are forever grateful. Whether you supported MOMENTS WITH THE MASTER with your physical labors, financially, materially, or through prayer we say a heart-felt **ጥሕጻን ጥዕና!**

Please continue to bathe us in prayer as we plan for the upcoming year. Much wisdom is needed. Also pray that we be good stewards of what the Lord blesses with.

We eagerly look forward to what God is going to do in 2011 and how He's going to accomplish the things He has planned. We hope you will continue to be a part of it.

In Christ's Service

Camp – the second week

We were blessed again to have Allen Nye, the Magic Guy, come to share the gospel with our kids through magic and movies. The kids get so involved in listening as they watch the magic!

We had 41 kids attending. Page 3

Five of them came to know Jesus as their Saviour! What a honor to be a part of God's eternal work!

Fourteen of them were first timers to our camp. Grays Baptist sent several kids out from their youth and we actually had some paying campers! We never know from year to year who or what God will send us!

It was a wonderful week and yet a very trying one, as we had to send a couple of kids home. That always breaks my heart as I want every child to hear and feel the love of Jesus.

Again we were blessed with wonderful leaders to help. But we always need more **so pray about helping this year!** We can use any kind of help.

Please pray for these kids!

One Child's story

Each child has a story and I wish I could share them all! I am working on a book about the ministry to tell the miracles and some of their stories. Pray that I will use my time wisely and finish it with God's wisdom and for His glory.

David 14 "My relationship with Jesus this week has been really good and I just love it."

This boy was brought by a friend to camp last year (2009). He saw that something was missing in his life. He saw kids that loved Jesus and were not afraid to share that love. He felt the presence of Jesus. He heard of Jesus' love. He saw that something was missing from his life!

Realizing he wanted this love, one night he asked Jesus to be his Saviour. He had no idea how this would help him in the year to come and not knowing the peace he needed that only Jesus can give.

He is a sweet, quiet young man, he is obedient and polite.

*One day while home, he found a gun on the table. Then the worst thing that could ever happen to anyone happened, he **accidentally shot and killed his younger sister.** (oh the agony!) Only the grace and peace of God brought him through this time!*

I was so glad to see him when he walked in to the lodge for camp.

He is doing good, but he has a burden for his dad, who can not accept the loss and is making wrong choices. He wants his dad to find Jesus and the peace that only He can give.

Please pray for this boy!

Go (come) tell it on the Mountain!!
