

God is so Good Here on the Mountain!

As I write snow is covering the ground! What a beautiful site!!! It is a quiet time to relax and reflect. But as I sit I am thinking it is February and only three months before camp starts. Time again to plan and get busy.

We often think, "How are we going to do this?" The planning, the money, the supplies, the leaders, the clean up, all the grass to cut? It is a big project and seems to get bigger as the years go by.

But our God is always faithful! He called us here to do this marvelous work. As Eric Quotes, "When God orders a meal, He will pay for it."

*He has supplied all of our needs, personally and for the ministry for 18 years **through YOU His people**. We have no doubt he will again. And He needs your help!!*

Thank You!!!!

New Truck

A newer truck has been on our prayer list for years, as you can see the old one gave just about all it had to give!

Last year, Herm Scholten, one of our board members, started raising funds to get us a newer one.

God worked a Miracle again! Many people, some who helped build the house and others who had never been here started donating. Then the dealer who was looking for one had a special ordered truck, the customer who ordered it decided against it. So the dealer told Herm he would pay the difference if he came up with \$10,000.

We are talking about a new **2015 4x 4 truck!** Wow!!! What a blessing, not only to us but to others as well. During a snow storm, when many were stranded, Eric was able to get people to and from work and the grocery store.

Eric now has a way to take his motorized chair around again! As well as having a very reliable vehicle. Again we thank you, God's people.

Sponsor a child!! \$50

Now is the time to send funds to help our kids come to camp.

\$50 goes a long way and can cover two or more kids. We would love to do more with them when they are here, but it depends how much we raise for them and having it early enough to plan.

All campers come from this area.

Most are unchurched and under-privileged.

We run the camp by what you give. If you feel God's leading please respond!!!

Again let us say what a blessing the new 4 wheel drive Gator has been. It is a necessity in getting the horses feed with the deep snow and mud, we have been able to get feed and hay to them.

The old gator never would Have made it.

God has provided way beyond our needs!

**IF YOU WANT TO BE A BLESSING AND BE AT WORK WHERE GOD IS,
THEN COME JOIN US FOR A WEEK OF CAMP!!
IT WILL BE A WEEK YOU WILL NEVER FORGET!**

The biggest Blessing of a Christian is to see our loved ones come to know Jesus.

Being reminded through many sermons that the return of Jesus could be at any time, I became burdened for my two younger grand kids, 6& 7 years of age. Before I would pray for them to accept Jesus when they were older, but now they were of an age of accountability.(I have no doubt I was saved at 5 years old.) I began to diligently pray for them and shared Jesus love with them as often as I could.

The greatest present I received for Christmas was that they **both had asked Jesus to be their Savior.** Then the second was that their older sibling had prayed with them. Now both the older ones have lead others to Jesus.

My heart is now at peace, and my prayer is that all will serve Jesus all the days of their life!
