Reaching Out to Touch the Hem of His Garment!

I want to share an amazing personal story!

Summer was very busy with all the camps and the house being built, so I put off going to the doctor although I had been having minor health problems.

I am so thankful for wonderful Christian doctors and health care providers, who are also my friends!

In January I was told I had uterine cancer and needed a hysterectomy right away.

Truly, after the first concern **I was at peace!** I knew God would heal me. I am His child. Here is a quote from my journal, "praying for complete healing, before, during and after, even if that means heaven."

Jesus is truly my hiding place. Like the woman with the issue of blood who reached out to touch the hem of Jesus' garment, **I reached out and hung on to His garment.**

The day before surgery the Holy Spirit brought this verse back to me, "Thou will keep him in perfect peace whose mind is

stayed on Thee." and **He did give me peace!**

Then while waiting for surgery, He reminded me of the verse Mom put above my hospital bed when I had my tonsils out, **"What time I am afraid I will trust in you!"**

Thankfully they were able to do the surgery robotically.

A week after surgery the doctor called with the reports from the biopsies.

I was:

Cancer free!

Praise God!

In one month from the time I heard the word cancer to the results of surgery and biopsies.

What wonderful almighty God we serve!

Oswald Chambers, " Our difficulties, our trials, and our worries about tomorrow all vanish when we look to God.... Build your hope on Him."

Cancer Free in one Month

~~The recovery has been quick and I am back to an almost normal routine now. On February I had my post-surgery check up and the doctor said everything looked really good. No further treatments required, and come back in 6 months.~~

Praise God for His healing hand and praise Him for all the prayers lifted up on our behalf.

Thank you for your prayers!!!

Mark 10 :52 “Your faith has healed you.”

May the Lord Jesus bless each one of you.

Our other concern is for the bills. Going back to a quote that Eric says, “When God orders a meal, He will pay for it!” I know God will take care of it all, He has taken care of me all my life! But this last 14 years since we have been here doing this ministry, we have relied solely on Him and His provision has been amazing!!!

In Mark is on how God cares for the birds and provides for them. Then the feeding of the

5000, He can take what we have and multiply !

We will see how God provides!!!!

Mark 11:22 tell of the Faith to move mountains.

“You, Lord, have moved mountains here so many times in the past, through ways we never dreamed of, please do it again.”

Praise you Lord!!!!

This is my prayer, "... my earnest expectation and hope that in nothing I shall be ashamed, but with all boldness, as always, so now so now also Christ will be magnified in my body, whether by life or by death" Phil 1:20

I truly want to thank each of you who have been praying for us during this time. Your prayers are cherished

and I know they brought me through this peaceful healing time!

We had no time to send a mailing. We did post on facebook and sent emails for all we had addresses for.

You can email us at momentmaster@yahoo.com with your email address so we can add it to our list, for other information we need to send!

PRAY

Our mission is to reach people with the gospel of Christ. We do this by reaching out in love through camps for kids, mostly the ones who otherwise would not be able to go to a camp.

We also show love by giving food to the families, helping with needs, listening to their problems and teaching Bible Studies.

Our goal is to show them Christ's love and encourage them in a different way of life. We aim that everyone who walks on this mountain will know how to accept Christ as Savior.

Please call 545-9911 for more info, to help or if you know a child that would like to come to camp

Thank you for helping and being partners with us in God's work here on the mountain!

May God bless you with his love and turn your heart to Him for every need!

Camp

Come tell it on the Mountain

Camp will be here before we know it!!!

Every year God provides for camp, some years more than others. We have camp through donations and the love of His people.

If each of you would sponsor a child this year for \$50.

It would make such a difference in their lives and for the camp. If you started now and sent \$50 or just **\$15 a month for 3 months**, it would make it so much easier on us here to prepare.

I will gladly send you envelopes so you can send your donation.

Remember we are tax exempt. Just reply to this email with your address and I will get them out to you!

If I am able I will send you a picture and some details of the child you are sponsoring.

We can use any volunteer help we can get! Come tell it on the mountain! with your words or your actions!

Thanks to those of you have sent in sponsor ship!!!
