

Reaching out

Reaching out to the camp families and others in need is important. Most of them get food stamps, but we have found their greatest need is soap products.

So I am starting to collect to help them with these supplies, but I need your help!

Instead of giving them the items, I want them to do some work here at the ministry in exchange for vouchers.

THINGS WE NEED to start:

- Toilet Paper
- Shampoo
- Dish soap
- Spray cleaner
- Pine sol or equivalent
- Or Donations for these items
- Body soap
- Deodorant
- Laundry soap

Thanksgiving Meal

On Thanksgiving we are going to have a meal for many of the kids and some other families.

Please let us know if you would like to prepare a dish or donate for this.

Thank you!

More Camp News Next Time!

We can never say

"Thank You"

enough for answering the call to partner with us here at Moments. There are so many of you who

gave of yourself, your prayers, your time, your love, your money, your labor, your cooking, your encouragement.

May God bless you with serving Him all of your days.

Hi my name is Cameron Lockard, I am 12 years old. Thank you for helping at camp, it was so fun. I don't want to leave I would stay here for the rest of my life if I could. This is the greatest camp I have ever been to!

Such a sweet kid!

You would cry if you heard him share about the bitterness and hatred that God has brought him through.
